6 of Revenue for valuing motor vehicles for assessment unless the registrant

13 consent by the registrant thereof for the recreational vehicle to be assessed by
14 the property valuation administrator at a valuation determined from a standard
15 manual prescribed by the Department of Revenue for valuing recreational
16 vehicles for assessment unless the registrant appears in person before the
17 property valuation administrator to assess the vehicle.

18 (2) The registration of a motor vehicle on or before the date that the registration of the
19 vehicle is required is prima facie evidence of ownership on January 1.
